Christmas Vacation.

School was dismissed last Tuesday afternoon and the pupils were given a short vacation.

Old Santa attended the program at the church last Thursday evening and brought gladness to the hearts of every girl and boy present. Gifts and treats were given to each person present.

The pupils had their fun and returned to school Monday ready for work and determined to prove themselves worthy of their splendid faculty and school.

Two Games This Week.

Junior High.

The seventh and eighth grades were very glad to get back in school after the Christmas vacation. When they got back they found a new pupil, Frances Brown. They welcome her and wish that more would start. This makes a total of thirteen, nine boys and four girls. There are nine students in the eighth grade, four boys and five girls.

The junior high made a resolution Monday morning not to make any grades below A's and B's. It is hoped that this will prove to be true.

Freshmen Entertain.

The freshmen class gave a very interesting program Tuesday afternoon before old Santa came. The program was as follows:

Song, student body.
Piano solo, Frances Giles.
Play, Mrs. Willis Will.
Reading, Robert Tully.
Duet, Fern Dyer and Alma Giles.
Reading, Oleta Yoder.
Play, The Unfortunate Joke.
Duet, Fern Fife and Waneta Hewes.

After the program gifts and treats were given off the tree. The four teachers seemed overjoyed because Santa had brought each of them a sucker.

The sophomores entertain Dec. 30.

Glee Club.

The boys' glee club sang "Good Luck, Mr. Fisherman" at the junior play. They are progressing rapidly in their work. The girls, too, are working hard.

New music will be ordered soon for the girls' glee club and sextet. Miss Elrod announces that the quartet will be chosen soon.

Public Speaking.

Instead of having the regular public speaking lesson Monday, Miss Elrod requested each member of the class to tell a Christmas story. After listening to the stories, it could be plainly seen that the spirit of Christ had entered every heart.

Home Ec. II.

The home ec. class will serve sandwiches and candy at the ball game Tuesday night. This money will be used to buy things needed in the department.

It will be only a short time until the home ec. room will be repainted. The walls and woodwork will be much lighted in color than they are now.

The health officer will be at the school building in a few days. He will examine and weigh the students and will give a talk on health. The parents are invited to come.
